2017-2018 Audited Financial Statement

Mr. Michel Sylvain, auditor with Sylvain & Co., presented the financial report for the period ending August 31, 2018. The 2017-2018 fiscal year ended with a surplus of \$645 850.

The projected 2017-18 budget deficit was greatly reduced due to the consolidation of the transportation budget, but most notably because several positions were not filled during the year.

In addition, some programs, such as the School Nutrition Program and the Classroom Improvement Fund, allowed the Board to make some gains in 2017-18.
