École des Quatre-Vents student to attend CANADA-WIDE SCIENCE FESTIVAL 2017

St-Isidore, May 9, 2017- The Conseil scolaire du Nord-Ouest No 1 (CSNO) is proud of École des Quatre-Vents grade 10 student **Jacob Crappier**, who is off to the **Canada-Wide Science Festival 2017**.

The [Canada-Wide Science Festival](#) (CWSF) 2017 is an exhibition of science, technology, engineering and math which will be held at the University of Regina from May 14 to 20, 2017. More than 500 of Canada's top young scientists will present hands-on science activities. This amazing science festival is open to the public from May 18 to 20.

Jacob Crappier is part of a team of five students representing the Peace Country at the national competition. He earned this honour by receiving gold for his project "The best vision: guys versus girls" at the Peace Country Regional Science Fair 2017 (PCRSF) in the Physics and Chem 9/10 category. The PCRSF took place on March 16 and 17 in Peace River.
